## Class Descriptions

**TRAIL MIX:** A 30-minute treadmill class designed for all levels. Work up a sweat to the upbeat music during your uphill journey!

**AQUAFIT:** Aquatic based exercises that focus on toning your muscles and burning calories all while minimizing the stress on your joints! Classes will use 2 lanes in the adult 4' deep lap pool. Pool noodles and water dumbbells will be sporadically incorporated.

**CYCLE 30/45/60:** The number represents the length of class! With 3 class length options and some amazing instructors, you will definitely find your fit! Burn calories, sweat, and cycle your way to better health as you are guided through the ride of a lifetime!

**STEP & CORE:** This class is 50 minutes. "Old school" Step is revived with these easy to do moves up, over, and around the step! Burn calories, improve coordination, strengthen legs & glutes, and finish it off with core work! Keep the impact low or amp it up for that metabolic burn! All levels welcome!

**20-MIN H.I.I.T:** You read that right; 20 minutes! High Intensity Interval Training that will leave you sweaty, tired, and with an amazing sense of accomplishment! You'll be humbled by how you feel using bodyweight! Intense bursts of exercises followed by short bouts of active recovery.

**ZUMBA™:** Join the party! This 60-minute class is designed to bring people together to sweat it on! Enjoy the Latin and world rhythms as you combine all the elements of fitness for an amazing good time, a super effective workout, and a crazy boost of energy!

**AQUA ZUMBA™:** Make a 60-minute splash with low-impact, high energy aquatic exercise with your favorite Zumba™ dance moves in the pool! Let loose with the Latin and world rhythms and tone up using the natural resistance of the water!

**BODYBLAST:** Burn it off and tone it up! This class offers a different focus each time. Using steps, barbells, dumbbells, and floor work, your body will be blasted with strength, cardio, and core work. This class is 45-minutes.

**PILOXING®:** Mixing Pilates and boxing moves into a fat torching, muscle sculpting, core-centric interval workout, this 60-minute class is guaranteed to whip you into shape.

**TRACK INTERVALS:** This class is 30 minutes. Using the indoor track you will push yourself for speed and intensity to maximize your running potential. Be ready for sporadic intervals and speed drills! New to running or training for that next race...we will see you on the track!

## STRENGTH

**BODYPUMP™:** This 60-minute addictive workout challenges all of your major muscle groups by using the best weight-room exercises such as squats, presses, lifts and curls. The key to BODYPUMP™ is THE REP EFFECT™, a breakthrough in fitness training focusing on high repetition movements with low weight loads.

**FabAbs:** Fire up your core! This 20-minute class will tighten your stomach and shape your obliques. Lower abdominal burn? Yea, we got that!

**ABS EXPRESS + :** Fab Abs combined with lower back work and a blast of cardio for that total body burn! This class is 30-minutes.

**AMAZING ARMS:** Because who DOESN'T want those?! Using dumbbells and barbells your arms will be tank top ready after taking this class. Define your bi's, tri's and delts in this 30-minute class.

**GOLDEN SNEAKERS:** There are 3 different versions to choose from! 45 minutes each. Total body will surprise you each time with cardio, strength, and flexibility training. TRX will introduce you to the TRX suspension trainer and focus total body strength and core work. Stretch will loosen your muscles and relax your mind. Each format is ideal for beginners to exercise.

**C2 BEATBARRE:** Beatbarre is a fusion of Pilates, ballet, yoga, and functional training. Tone your whole body at the ballet barre using props such as balls, bands, and small weights. Lift your butt and define your thighs! This class is 60 minutes. \*Sign up is required at the DHAC front desk 30-minutes prior to class start!

**BGX:** Butts & Guts Xpress! 30-minutes of hard core booty blasting work combined with abdominal moves to firm that mid-section and lift your glutes!

**PILOXING KNOCKOUT®:** 45-minute workout influenced by plyometrics, sports conditioning drills, and functional training. Increase your fitness level, boost your confidence, break boundaries, and gain results!

**TRX® CLASSES:** TRX® suspension training leverages gravity and your bodyweight to perform exercises. We have 3 classes; Our BASICS class is 30-min and will introduce you to the exercises and concepts of using the "all core all the time" method. Our Xplosion class is 60-minutes and will bring the heat by challenging you even more with H.I.I.T. training and weights. Our Xpress class is a 30-min version of Xplosion! Something for everyone!

## MIND & BODY

**MAT PILATES:** Lean out your physique through proper body alignment and balance. You will use your bodyweight and be guided through proper breathing and muscle recruitment to safely achieve optimal strength, flexibility, and endurance without adding bulk. This class is 45-minutes

**POWER YOGA:** A challenging system of physical and mental exercise that will improve flexibility, balance, and whole-body strength. This will also emphasize proper breathing, stretching, and special postures to help manage stress. Prior yoga experience is recommended. This class is 60-minutes.

**SLOW FLOW YOGA:** This 60 minute class breaks down yoga poses and is ideal for new yogis. Restorative and relaxing, this class will break up your normal routine and allow your body to work and your mind to open.

**SIMPLE STRETCH:** Keep it simple! This 30-minute total body stretch class is what your tight muscles are begging for! Static stretching followed by some relaxation!

**TAI CHI FLOW:** An experience unlike anything else! Spend 30-minutes slipping into Qi flow, and learn the ancient art of Qi Gong all while experiencing gentle Tai chi moves and meditation.

**VINYASA YOGA:** Strengthen and stretch your muscles, stimulate and encourage proper functions of internal organs. You will also gain emotional and spiritual well-being. This class is perfect for all levels. Namaste.

**GENTLE YOGA:** Learn, execute, and practice yoga poses and techniques without having to turn into the proverbial yoga pretzel. Chairs are available in the studio. This class is 60-minutes.

**YIN/VIN YOGA:** Class begins with Vinyasa flow and heat building poses (asanas) and breath practices (pranayama). You will then transition into the cooling stillness of yin poses to achieve a balanced state. Yin yoga emphasizes long passive holds to target joints and connective tissues to increase circulation and improve flexibility. Suitable for students with some prior yoga experience. This class is 60-minutes.

**VIGOROUS VINYASA:** A challenging yoga flow that includes sun salutations, abdominal work, and intense poses to increase your total body strength. Prior Yoga experience is recommended. This class is 60-minutes.
